

DeKo 800S

The DeKo 800 Safe stainless steel slicing machine has been specially designed to comply with EU regulations. The DeKo 800S consequently sets the highest standards for safety, durability and hygiene. The DeKo 800S is suitable for large quantities and therefore for use in supermarkets and butchers shops. The 800S can also handle nearly every type of meat. From small to large, the DeKo 800S slicing machine slices quickly and constantly to the last slice.
